

# Pyrography Workshop with Cynthia Carden Gibson

September 18 & 19, 2017

9:30am – 4:30pm

Cost per person \$200 for both days

**Day One** features Cynthia demonstrating and teaching her style of Pyroengraving. Participants will study technique by working on a grid and creating a series of patterns. A practise board will be provided.

**Day Two** includes demonstration of design implementation, inspiration for designs and the addition of color. Participants may bring a dry turning (or flat piece of maple) sanded to 600 grit, or they can use another (supplied) practise board.

To see more of Cynthia's work, visit her website <http://www.cynthiagibsonpyrography.com>

Class will be held at Cindy Drozda's workshop, 655-1/2 Pierce St, Erie CO 80516  
(Please go to the shop on the alley East of Pierce St, not to the house)
